

# **Landmark Worship Team Auditions**

We are honored you have shown interest in becoming a part of the Landmark Worship Ministry. We believe worship is one of the primary responsibilities of those who belong to Christ. Therefore, we treat God's requirement to worship Him as a priority in our lives and lifestyles.

Landmark is a both/and church, meaning, we do BOTH acappella worship gatherings, AND instrumental gatherings. The Worship Ministry facilitates worship at both services each week using a worship team comprised of vocalist at our acappella service, and a worship band comprised of vocalist and instrumentalist at our instrumental service. If you believe God has called you to lead people in worship, then we are excited to partner with you to serve Jesus through the medium of music. Before auditioning we ask you to read through the Worship Ministry Handbook. You can find a link at the bottom of this page.

Currently we are accepting all auditions via video submissions. If you would like to audition for vocals, an instrument, or an instrument and vocals, you will need to submit separate videos for each.

Along with musicality, we are looking for an inviting stage presence that encourages the church to worship.

Please read through the requirements below before completing the audition sign up form.
